## Guarantee

Access Hardware guarantees the products in this catalogue against defects in workmanship and materials subject to fair wear and tear in standard atmospheric conditions for a period of 10 years.

Access Hardware assumes no liability for:

- Improper installation or failure to follow fitting instructions.
- Improper maintenance or unfair wear and tear.
- Indirect or consequential loss or damage.
- Cost of removal and/or replacement.
- Cost of freight and/or travelling expenses.
- Although our products are suitable for most applications, no finish is unconditionally guaranteed and advice should be sought from one of our representatives.

## Care and Maintenance

To retain the highest corrosion resistance it is necessary to keep the surface of stainless steel clean. This can be done by wiping with a clean cloth using either a mild detergent or soap, then rinsing with warm clean water and drying with a towel. Carbon steel brushes or wire wool should not be used. Comprehensive instructions are available upon request.

## Change of Product Specifications

As a result of continuous improvements to our products, we reserve the right to alter standard product specifications and dimensions without prior notice.
